EMBEDMENTS

objects or printed matter supplied by customer

- customer-supplied articles are embedded at customer's own risk; Clearmount is not liable in any way for damages to, or costs associated with damages to, articles caused by the embedding process, regardless of the results of pre-production testing of supplied materials
- to allow for any spoilage, customer must supply 5% more material than required for the order quantity

objects and printed material supplied by Clearmount

- objects for embedding may be sourced or custom-made by Clearmount upon request, please call for availability and pricing
- monetary coinage supplied by Clearmount: coinage face value + 25% for handling + any applicable taxes

ARTWORK PREPARATION

- an art preparation charge will be assessed on orders that are furnished without useable art. This charge will vary depending on the amount of work required to bring images up to a usable level - contact Clearmount for details

PAPER PROOFS

- paper proofs are done free of charge as part of an order and if customer-supplied art is properly provided. (see above)

TRADEMARKS

- Clearmount assumes no responsibility for determining who may or may not hold title to any trademarks used in an order. All liabilities lie with the customer
- Clearmount does from time to time use finished products with logos in their catalogue, on their website and as samples. If you do not want Clearmount to display certain items, it must be noted on your purchase order.

PROTOTYPE PRODUCTION

- minimum charge of \$150.00 plus applicable set-up charges

PRODUCTION TIMES

- normal production time is 2-3 weeks (plus an additional 10 days for prototype production)
- a 20% Rush Surcharge may apply to all pricing on an order for delivery less than 7 production days,
- rush delivery needs to be authorized by Clearmount
