TABLE OF CONTENTS

CELEBRATE INNOVATION

Create depth by taking your design elements and using different decoration techniques for each. Using one colour on one side reflects beautifully throughout a cube.

Custom cube | 333

Custom colour | Full colour digital print embedded | Multi-level embedment

COMMEMORATE AN EVENT

Custom block | BL57

Coin embedment | Full colour digital print embedded

RECOGNIZE EXCELLENCE

Give a custom piece in celebration. Add extra details like rounded edges or faceted edges to create unique design features.

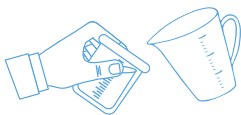

Custom shape block

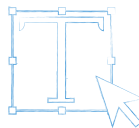

Coloured bottom | Full colour embedded imprint

Faceted tower | OB9

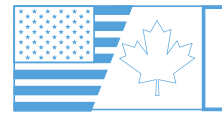

Custom colour bottom | Full colour embedded imprint | Faceted edges

Custom shape

Made in North America

Faceted tower | OB9 & OB10
Custom colour bottom | Full colour embedded imprint | Faceted edges

SUSPENDED IN TIME

Placed down by hand, multi-level embedments pieces are a great idea to show off a product or items. You can keep it small for a desk item or go larger for a recognition piece.

Custom inverted dome | AD400

Orbeez embedment | Full colour digital print on surface

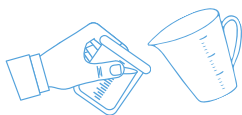

PERSONALIZATION IS KEY

Add a custom cast bottom to your piece for extra personalization space. You can add a solid colour or a tint and decorate with laser engraving or digital printing.
