TABLE OF CONTENTS

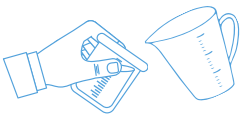

RECOGNIZE YOUR TEAM

Custom tower
Laser engraving

Showcase those who have contributed to the growth of your company.

Have the towers grow in size to represent the years of hard work and commitment of your employees. Consider having it transform into an art piece by engraving artwork on the back that when placed together, create a cohesive design.

LOGOS GRAB OUR ATTENTION

Printing your logo on clear acetate and embedding it in your award or adding hand-carved details and a custom cast base are just two of the many options you can choose to make your logo part of your design.

Reinforce your team's sense of purpose

People who believe that their work matters are 4x more likely to be engaged.
Employees need to see, especially during uncertain times,
that their work has an impact.

PREVENT BURNOUT

A fun way to recognize your team is to create an award that, as each team member hits a milestone, they will receive a piece to add to their original set
