

ARBRE SUSTAINABLE AWARDS FOR YOUR BUSINESS

MEANING OF RECLAIMED WOOD

Reclaimed wood or upcycled wood refers to salvage wood retrieved from several sources like factories and old barns, repurposed for a new direction.

Supplied by local businesses across Canada

Custom Colour Acrylic

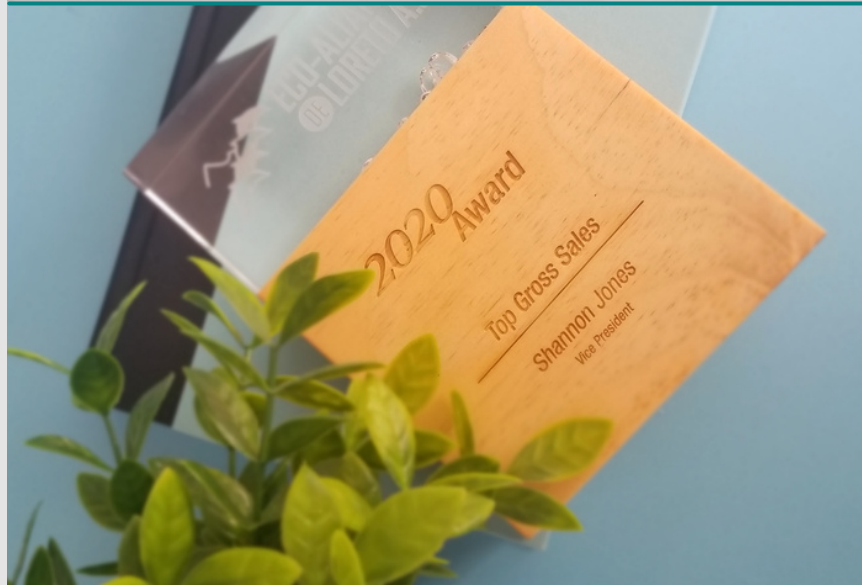

The natural character of the wood grains will show in all its variations even in the same design.

A product of fair trade between the environment, recognition and community.

Skilled artisans meticulously handcraft every detail into the wood and, in each step of the process of your award or recognition piece.

Your sustainable award, handcrafted out of reclaimed wood and air-dried in Canada, can be combined with Lucite to create a one-of-a-kind award.
