Is the property you're selling being renovated?

Don't forget to save a piece of the building and encase it in Lucite. It's a great way to deliver a thoughtful keepsake to your team and your clients.

Custom column

Laser engraving | Building facade embedded | Custom colour tinted bottom

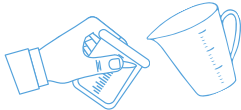

CRAFT A CUSTOM PIECE

When you're coming up with an idea, whether it's a building replica or a simple twist to a classic shape, push the limits of your imagination.

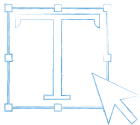

Custom block with plain edge
